Fringe Squirrel Press, United States, 2011. Paperback. Book Condition: New. Justin Walling (illustrator). 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.This colorful story of how a boy from Guatemala came to be part of a family in the United States is a tool to introduce the topic of adoption to adopted and non-adopted children alike. Justin Walling chose to illustrate the family using birds of various colors, providing a platform for understanding the similarities and differences embedded in multi-cultural families. Although not a simple story, the steady and repetitive theme of what makes a family and what children need is very simple, fundamental and true. Songlike in its delivery, the words are softly rhymed and often repeated. September 21, 2011 Press Release: How do you introduce the topic of adoption to your adopted son and his non-adopted siblings? Kelly Dougherty and Justin Walling had just that question and have answered it in *The Story of Che*, a children's book based on their own family's story of how a boy from Guatemala came to be part of a family in the United States. With personal clarity of how differently families can form, and deep exploration into the ever-pressing issue of how a child might interpret comments from outside the home, Dougherty and Walling chose to literally illustrate exactly how their family came to be. We are living in a world where families come in all shapes, numbers, and colors, says Dougherty. Often those familial colors are monochromatic, but more and more today we are seeing something beyond that, something a little less simple. *The Story of Che* addresses that. Using birds of various and brilliant colors, Justin Walling's illustrations provide the platform for understanding the similarities and differences involved in multi-cultural...
