Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

(Payton Miller)

RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 94 pages. Original publisher: Washington : U. S. G. P. O. : For sale by the Supt. of Docs. , U. S. G. P. O. Congressional Sales Office, 2001. OCLC Number: (OCoLC)47642262 Subject: Drug traffic -- Middle West. Excerpt: . . . 11 1999 again Congressman Latham helped us turn the task force into a fully funded task force. The task force today is made up of 18 sworn officers, 2 analysts, 3 of these are DEA agents, 6 are Sioux City police officers, and the remainder represent the States of South Dakota, Nebraska, Iowa DNE, the South Sioux City Police Department, the Woodbury County Sheriffs Office. Becoming a DEA-sponsored task force allowed us to deputize all officers in the task force giving them the jurisdiction to follow the cases anywhere in the country. All this was made possible by congressional help that weve received from such grants as the Byrne and the HIDTA funding. Thanks to this support we are able to address cases with as broad a scope as Sioux Falls, SD, Fort Dodge, Norfolk and Omaha, NE, Worthing-ton, MN, and many other communities. Recently HIDTA conducted a survey to assess the perceived strengths and weaknesses in law enforcement agencies today. Per-ceived strengths included a more cooperative approach to law en-forcement with better communication, sharing of equipment and fa-cilities, multi-jurisdictional task force which removed boundaries among jurisdictions, fueled a law enforcement cooperative effort and leading to the dissemination to not only drugs but property and violent crimes as well. And better prosecution has been se-cured by the U. S. Federal attorneys office who has increased the number of prosecutors dealing with the drug problems in our com-munities, specifically through HIDTA grants which help us tremen-cdously. eived...
