RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 126 pages. LC Number: KF27 . E553 2007o OCLC Number: (OCoLC)297182408 Subject: Medical fees -- United States. Excerpt: . . . 10 aid cases yielding an annual savings of about 17 billion, eliminat-ing higher discriminatory co-payments under Medicare for our na-tions seniors for outpatient health care services and untreated mental health services, which also save money. Establishing collaborations and demonstration projects to im-prove the effectiveness of health information technology which can save 162 billion annually by reducing redundant tests, medical er-rors and mis-diagnoses. We have so much work to do here and I hope that this committee will work towards actually improving and renovating our health care system and not just continue a pattern that Congress has had for several decades of trying to find ways to save money on health care by cutting payments. We want to make sure that physicians and hospitals work effectively, but a fundamental part of that should be the leadership that this Con-gress and this committee takes in showing how we can do it better, more effectively, more efficiently save money and save lives in the process by transforming our nations health...
