IN GREAT BRITAIN AND THE UNITED STATES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from In Great Britain and the United States The following chapters were written as a dissertation for the doctorate in the Department of English, Columbia University. The work was originally planned as a bibliography, with a brief introduction covering the substance of the present volume; but with the growth of the introductory material, it became apparent that this alone would be sufficient to satisfy the special requirement. The volume is therefore plainly limited in its scope, and more or less arbitrarily planned and presented. The writer is under obligation to Professor George Philip Krapp, Professor William Peterfield Trent, and Professor Harry Morgan Ayres, of the Department of English at Columbia, all of whom have read the manuscript and given him generous and valuable help. He owes much also to the personal kindness of Mr. Frederic W. Erb, of the Columbia Library, and Mr. C. W. Kennedy, of the British Museum, and to the courtesy of the officials of the Library of Congress and the libraries at Yale and Cornell.
