AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 216 x 212 mm. Language: English . Brand New Book ***** Print on Demand *****.Would you like to know the secrets to managing money and teach those secrets to your children? What if with those secrets you could help your children become financially savvy and independent adults? According to the author of Journey to the Money Tree, this book is for you as it is full of good money management skills to learn and adopt. Journey to the Money Tree is like a map taking the reader on a trip to the Money Tree where the secrets of money management will be revealed. It explains in very simple terms what money is, how to get money and how to use money wisely. The activities in the book not only gives the parent reader an opportunity to spend quality time with their children but also a powerful reminder of what money habits should be adopted and can be applied to the reader's finances right away. In the book, the author explains the money management secrets using farmer's planting and harvesting activities as an analogy. And they say money don't grow on trees! Journey to the Money Tree explains how the reader can grow their own Money Tree. As a parent reader, if you truly did not want to be the Bank of Mother and Father to your children forever, then this book is for you. Spend some quality time with your child, read the Journey to the Money Tree and find out the secrets to managing money together.
