

Divorce Confidential

By Gerald Nissenbaum, John Sedgwick

Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Divorce Confidential, Gerald Nissenbaum, John Sedgwick, 'In my work I am ruthless about one thing. My clients cannot lie to me. They can lie to their ex-wives, their children, their employers, their friends. But they cannot lie to me'. When someone who is used to having it all is faced with losing everything things can get pretty ugly. A big-money divorce showcases the extremes of human behaviour - betrayal, jealousy, lust, rage and revenge. When resentment is high and pride is damaged those involved will go to extraordinary lengths to stop their ex partner getting what they want. In his forty-year career, Nissenbaum's high-profile cases have involved custody fights (including a battle over a human skull), international kidnappings, prostitution, extortion, fraud, mental health and addiction issues, the Mafia, and murder. This fascinating and gripping expose shows how rich and desperate can be a very explosive combination.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
