Createspace, United States, 2012. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****.There is so much false information being put out by politicians and supporting organizations to scare elderly persons like me. I did research using the Statistical Abstract of the United States Census to develop my data used to write this short publication. The data in the book is factual and truthful. I am showing how much trouble the Medicare program is in and I hope it will be read so that our citizens will be informed.
