Grand Central Question: Answering the Critical Concerns of the Major Worldviews

By Abdu H. Murray

Audible Studios on Brilliance, United States, 2016. CD-Audio. Book Condition: New. Unabridged. 171 x 133 mm. Language: English . Brand New. All religions and worldviews seek to answer the fundamental questions of human existence: Why am I here? What does it mean to be human? Why is there evil in the world, and how do we deal with it? But not every worldview places equal emphasis on each issue. The main worldviews each tend to stress a different central question. Secular humanism focuses on: What is the inherent value of human beings? Pantheism emphasizes: How do we escape suffering? Islam s main concern is: How is God great? Abdu Murray digs deeply into these three representatives of major worldviews of our day: atheism, pantheism, and theism. This lawyer and former Muslim brings compassion, understanding, and clarity to his analysis, comparing the answers of each view to the central message of Christianity.
