

Designed to Evolve: Discovering God Through Modern Science (Paperback)

By Christopher S Davis

Motif Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Why do we exist? Why is there something rather than nothing? Designed to Evolve examines the question of existence in light of modern science. From the birth of the universe 13.8 billion years ago, to the intricacy of the DNA molecule, nature is explored at the most fundamental level. Two possible explanations emerge. Are we the result of chance or designed for a purpose? There has never been a time when more information on origins has been available. Now we can probe this question and take a critical look at the nature of existence. In the end, the evidence for purpose prevails. Designed to Evolve presents the modern rational for a creator, compiled from the science of our day. Recent discoveries have exposed new lines of evidence for God. Modern versions of traditional arguments still hold true. Big bang cosmology, particle physics, natural history, and biology are analyzed in a vivid chronology of the universe, revealing the beauty of creation and making the sciences of origin comprehensible to the non-scientist. This digs deep into the specific evidence...
