

## Africa: Dilemmas of Development and Change

By Peter Lewis

The Perseus Books Group. Paperback. Book Condition: new. BRAND NEW, Africa: Dilemmas of Development and Change, Peter Lewis, In the decades since independence, the countries of sub-Saharan Africa have faced three central dilemmas of development. The first has been the challenge of state building. In the wake of colonial rule, governments have encountered the problems of establishing legitimate authority and constructing capable states. A second dilemma has been that of nation building and state-society relations. African countries have confronted the difficulties of managing ethnic diversity, forging national identities, and negotiating relations between citizens and rulers. The third challenge encompasses problems of economic development as the region has grappled with a legacy of poverty, slow growth, and external dependence. This collection provides an overview of the leading themes and issues in these three critical areas of Africa's postindependent development. A selection of pathbreaking articles provides insights into the key questions, the major theories, and the outstanding challenges in African development. Written by today's most influential African scholars, the readings cover a variety of topics including political leadership; forms of state power; the role of civil society; the importance of class, ethnicity, and gender; and the prospects for democratic change in the region....
