REAL GHOST STORIES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 173 x 109 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Real Ghost Stories I felt as I read that those who urged re-publication were right, that if not a classic, as some have called it, it at least merits a place on the shelves of all who study psychic literature and are interested in psychic experiences. I demurred long as to whether I should change the title. The word Ghost has to a great extent in modern times lost its true meaning to the majority and is generally associated in many minds with something uncanny - with haunted houses and weird apparitions filling with terror those who come into contact with them. Stories from the Borderland, Psychic Experiences, were among the titles which suggested themselves to me; but in the end I decided to keep the old title, and in so doing help to bring the word ghost back to its proper and true place and meaning. Ghost, according to the dictionary, means the soul of man; the soul of a deceased person; the soul or spirit separate from the body; apparition, spectre, shadow - it comprises, in fact, all we mean when we think or speak of Spirit. We still say The Holy Ghost as naturally and as reverently as we say The Holy Spirit. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
