

Jack London: San Francisco Stories (Paperback)

Filesize: 5.94 MB

Reviews

Absolutely essential study pdf. It is written in basic words and phrases rather than hard to understand. I am just happy to tell you that this is basically the finest pdf I actually have studied during my personal lifestyle and can be the very best publication for actually.

JACK LONDON: SAN FRANCISCO STORIES (PAPERBACK)

Createspace, United States, 2010. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****.From one of America s great writers, this delightful collection - the first of its kind - contains twenty-three adventurous tales set in the San Francisco Bay Area. If San Francisco has captured the world s imagination through the hardboiled stories of Dashiell Hammett, the prose and poetry of Jack Kerouac and his fellow Beats, through Orson Welles Lady From Shanghai and Alfred Hitchcock s Vertigo, it is as a romantic city of vast suspension bridges and foggy back alleys, not as the wild west of Jack London s day. Pre-quake San Francisco was a tough town, and Jack London - hobo, sailor, oyster pirate, hard drinker - was pretty tough, too. Although famous for his stories of the Klondike and the Pacific, London wrote extensively about his home base. This collection contains such classic stories as The Apostate and South of the Slot as well as extracts from John Barleycorn and The Sea-Wolf. The overlooked 1905 story cycle Tales of the Fish Patrol is included in its entirety. London s vivid eyewitness report of the Great 1906 Earthquake and Fire - which destroyed forever the old city - stands as a fitting epilogue. Discover a vanished San Francisco in these wonderful stories of Jack London. Selected as one of the 16 BOOKS TO READ IF YOU LOVE SAN FRANCISCO: Most of us know San Francisco as a soft foggy charmfest of a city. But it wasn t always so tame. Jack London s San Francisco Stories chronicles the tougher annals of SF s pre-earthquake days, and includes Jack London s firsthand account of the city burning in the wake of the 1906 quake. Either a must-read or...
