He d been her mentor in more ways than one. until he left without a word. Now she has nothing to say to him. or at least that s what she keeps telling herself. When he met Eve, Kyle s career had been in the tank. Lighting the fuse on her talent had rekindled his own artistic ability. Loving her, watching her blossom as a woman had inspired him to new heights. He d had to let her go back then, but he always knew he d see her again. Now that he has, he s not prepared for the edgy woman she s become, nor did he expect he d still be in love with her. When explanations aren t that simple, and no common ground seems to be had, how will they overcome their past to create a future? Or can they? WARNING: Adult themes and contents.
