THE SECRET TO SUCCESSFUL ONLINE DATING: WADING THROUGH THE CESSPOOL (PAPERBACK)

Createspace, United States, 2013. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.There are dozens of books claiming the author has the secret to success with online dating. Most of them are a joke and use manipulation tactics to sucker people in. Who would want someone that had to be manipulated into liking him or her? Sure it s easy to get laid by lying on Dating Websites, but what about finding the man or woman that is right for you, and one that you can have a meaningful, long lasting, loving relationship with? I ve spent years finding a formula that works. I ran dozens of tests and have been kicked off Plenty of Fish more than anyone by doing so. However, if you use what I ve learned, you will be on your way to finding a true love. Includes a bonus chapter from the book MEN ARE BOLTS, Women Are Nuts, Junk Shots - Stopping men from sending pictures of his Johnson.
