SPEEDSTER

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 252 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. At 48, Jack McCain is beginning to resemble the antique Auburn Speedster his grandfather left him years ago. Sleek, classy, and powerful in its day, the car is now an anachronism that needs to be sheltered from the harsh realities of its environment to prevent its slipping into an ignoble dotage. Jack would like nothing better than to keep himself garaged and under wraps next to his Speedster, but fate has conspired against him. Driven to distraction by a manipulative ex-wife, an insensitive girlfriend, and an epic mid-life crisis, Jack finds himself the chance owner of a customized import car. Hoping to sell the car, he joins a car club run by a bunch of twenty-something tuner punks who don't seem to know very much about cars. When one of the members, a beautiful tomboy who happens to be an exotic dancer, follows him home his life begins to spiral out of control. Meanwhile, a screwball collection of villains including a pair of neon-haired underachievers, a serial sexual predator, and the owner of the gentlemen club called Glitters, scheme to separate Jack from the valuable Speedster. They want to sell it to launch a black tar heroin enterprise on Florida's posh Lower East Coast. They will stop at nothing to get it. Fueled by their spectacular and often hilarious ineptitude, they mire themselves and Jack in a predicament that seems more and more hopeless as it unfolds. When a murderous deviant named Mateo abducts two women to force his hand, Jack must shake his malaise and come to grips with the boredom and indecisiveness at the root of his troubles. He enlists the help of his best friend,...
