

## Life in the Women s Workforce: An Autobiography (Paperback)

By Kathy Novik-layer

Dorrance Publishing Co., United States, 2014. Paperback. Book Condition: New. 224 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Life in the Women s Workforce is an autobiography of Kathy Novik-Layer s experiences in growing up and entering a predominantly male industry. As a child, the author grew up being bullied and taunted, which made her strong and prompted her to hide her feelings and not give in to physical pain. These events molded someone who was sometimes feared and deemed intimidating by her peers. At a young age, Kathy learned sports from her grandfather and vehicle repair and restoration from her father. While these skills came easy to her, she promised her father before he passed that she would not pursue a career in the automotive industry; it was considered a man s world and he was worried she would not be treated fairly. However, as life sometimes does, events led her to become an automotive technician, and later the first female Platinum Auto Technician for a major car manufacturer. The author s desire in writing this book was, not only to entertain, but to make women aware that although there are laws regarding...
