Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Even the deepest love needs an air supply. Dive shop manager Marina Hernandez is carrying a heavy load as she tries to save the family business. On one shoulder rides a bucket of red ink. On the other, her father s age-old cultural belief that women belong in the kitchen. Now that a cutthroat competitor has pushed her to the brink of bankruptcy, any chance she ll ever win her father s respect is fading fast. The last thing she can afford right now is the complication of a tempting man. After years of building his practice, pediatrician Brett Sutherland has changed his focus. He seeks a more well-rounded life, including a woman who ll devote herself to caring for a family. Workaholics need not apply. Then he signs up for scuba lessons, and Marina s luminous eyes and spirited personality turn his neat, logical plan upside down. Brett s dazzling looks heat her blood, and his compassionate nature makes her yearn to build her own life-but not if it means letting the business collapse. A little harmless flirtation couldn t hurt, though. Yet with every kiss, she s stretched thinner between the promise of Brett s love and her father s expectations. Until a critical decision pushes them both to the breaking point. Warning: Contains a hunk in a swimsuit. May lead to spending your entire summer at a beach or pool ogling the male scenery.
