Brand New Book ***** Print on Demand *****.This book is about the performance theatrical Mind Reading and Mentalism. It is written by a professional performer for professional performers. Whilst it contains what could be considered as effects or routines the core of this book is about the philosophy and psychology of performance. Kenton Knepper has said of this book . I see your work as an asset to many sincere performers. Your approach is not for the mildly curious, nor should it be. To re-iterate this is not for the mildly curious and is aimed at the sincere performer. Alan Jones presents a fascinating lecture giving valuable ideas about magic and performance relating to his interests and training in NLP and education. Alan s presentation is humorous, eye opening and well worth every magician s attention. I thoroughly enjoyed it. - Eugene Burger I really enjoyed reading your book. The first card effect is Gangbusters. The Theory is Great Too - Jeff McBride.
