

## The Emperor's Army

Filesize: 1.04 MB

### ***Reviews***

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE EMPEROR'S ARMY

Pelican Publishing Co. Hardback. Book Condition: new. BRAND NEW, The Emperor's Army, Virginia Walton Pilegard, Adrian Tans, When the first emperor of China falls under the influence of an evil prime minister out to abolish education, a wise scholar and his son flee for the mountains. During their time hiding in a secluded cave, the young boy discovers a site that contains a complete militia made of clay. Archers kneel with bows, and soldiers stand with attention. Cloaked with the finest garb and weaponry, the warriors resemble real-life soldiers. After making the startling discovery, the boy conjectures the reason for the clay army's creation. The mystery behind the terra-cotta army - what some consider the eighth wonder of the world - is unveiled in this educational children's story with ancient Chinese-inspired illustrations. In this title, a math lesson and a craft for making clay add to the learning experience.
