Are You Ready to Thrive in Your Interview? There are lots of interview books out there. None of them are showing you, as a woman, how to thrive through the interview process. This book shows you how. Being successful in an interview is a process of building trust between you and the interviewer. This book is packed with tips on how to build trust. You will discover: What generally accepted interview expectations are and how to meet these expectations. Why setting an intention before you start preparing for your interview will pave the way to success. How to research a company in a way that will set you apart from other candidates. Processes to use and questions to ask to identify your strengths and weaknesses that will make you feel confident and powerful. How to answer the question, What do you see yourself doing in 5 years? How to keep your adrenaline down so that you are focused and less anxious. Kim Buck, M.B.A., a Success Coach and catalyst, is the founder of Are You Willing to Be Seen? coaching and is the author of The Thriving Woman s Guide to series. She coaches women to be seen so they are successful with job and career changes.
