Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.This little tale is the son of another work of mine, who was stuck for a long time in an episode in which a rainbow appeared within a library. It s frustrating, at least for me, not being able to continue whatever I m writing - whether a single article or a more important work. So, I took my rainbow within the library and moved to the Tijuca forest, where it played the role of a Cupid who nailed his arrow and witnessed the birth of a passion. The tale begins as a nightmare, that turns into a dream, after in a search and finally at the beginning of a new and exciting life. The characters - a man and a woman - do not reveal their names, until a third and unexpected character comes into play.
