Kiser had been living a healthy life with no restraints what so ever in his life, which was up until of May 2006, which at this time Michael J. Kiser s body decided to turn on it self. This is a true story about Michael J. Kiser s own experience with an Auto-Immune System Syndrome called, Guillain-Barre Syndrome / Acute Relapsing CIDP , (Chronic Inflammatory Demyelinating Polyneuropathy). What is this Auto-Immune GBS / Acute Relapsing CIDP? This Syndrome is a cause of the Auto-Immune System reversing on itself to the point of attacking your body as if it was a threat to you causing the nerves to be attacked to a point where the Myelin Sheath that protects the nerves to be eaten. Which this stops your nerves from sending signals back and forth from the brain to control your muscles and of the feelings of the things, which you touch, are lost. If the Auto-Immune System is not reversed in time, this syndrome can indeed kill you, within a time of three to eight weeks. This book is to help shine some light to people that has no understanding what people like Michael J. Kiser ends up going through from this Syndrome. This book is also to help people that might end up going through this awful Syndrome and what to expect and for those that are going through this Syndrome. You might think that there is no light at the end of the tunnel as you are going through this. Nevertheless, there is and it will not be easy but you will heal from this, as you will see.
