

## What Doctors Don't Tell You: The Truth About the Dangers of Modern Medicine (New edition)

By Lynne McTaggart

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, What Doctors Don't Tell You: The Truth About the Dangers of Modern Medicine (New edition), Lynne McTaggart, New edition of this highly controversial and campaigning book that reveals the truth about the pills and procedures your doctor prescribes and offers proven alternatives for diagnosing, preventing and treating many illnesses. Includes updated information on all the most recent health issues - vaccination, HRT, Viagra, IVF and more. Every year, 1.17 million British people - a population the size of Birmingham - are put in a hospital bed by a medical procedure gone wrong. And 80% of most of the treatments we take for granted have never been scientifically proven to work. In this groundbreaking book, leading health campaigner Lynne McTaggart reveals the real secrets of modern medicine. Extensively revised and updated, this new edition tackles some of the most worrying health issues of recent years. For example, did you know: \* Statin drugs, the new miracle cure for high cholesterol, are causing a heart failure epidemic? \* SSRI drugs - now come with a black box warning about suicide risk to children \* HRT, touted as the most important preventative treatment for all...
