

Fairway to Hell: Around the World in 18 Holes

By Franz Lidz

ESPN Books. Hardback. Book Condition: new. BRAND NEW, Fairway to Hell: Around the World in 18 Holes, Franz Lidz, Golf may be game with character, but for too long it has lacked enough true characters. In Fairway to Hell, Franz Lidz takes a globe-girdling and wholly serendipitous journey in search of golf's real soud, visiting all the margins of that anciet and maddening game. Far removed from the usual golf magazine perspective, he finds unlikely heroes and wildly comical connections. Imagine playing a round with Bill Murray or with Judas Priest, or hitting the links on an iceberg, or in a nudist colony-though not at the same time. In the oddball tradition of P.G. Wodehouse's classic. The Heart of a Goof and David Feherty's 2004 colelction Somewhere in Ireland, a Village is Missing Its Idiot, Lidz's dispatches are infused with a sense of the elegant and the absurd. In other words, a sense of golf.

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
