

Mary and the Wrongs of Woman (Revised edition)

Filesize: 5.05 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Mary and the Wrongs of Woman (Revised edition), Mary Wollstonecraft, Gary Kelly, 'I have lately written a tale, to illustrate an opinion of mine, that a genius will educate itself.' Mary Wollstonecraft is best known for her pioneering views on the rights of women to share equal rights and opportunities with men. Expressed most forcefully in her *Vindication of the Rights of Woman* (1792), her forthright opinions also inform her two innovative novels, *Mary and The Wrongs of Woman*, a fictional sequel to the *Vindication*. In both novels the heroines have to rely on their own resources to establish their independence and intellectual development. Mary learns to take control of her destiny and become a social philanthropist, while Maria, in *The Wrongs of Woman*, fights imprisonment and a loveless marriage to claim her rights. Strongly autobiographical, both novels powerfully complement Wollstonecraft's non-fictional writing, inspired by the French Revolution and the social upheavals that followed. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
